The Land of Andor is in danger. From the mountains and forests, enemies are advancing toward the castle of old King Brandur. Only your small band of heroes stands in their way. Will you succeed in defending the castle and protecting Andor? Legends of Andor is a cooperative board game for two to four heroes. Live the legendary tales as you unite to battle ever-encroaching enemy forces. After the first Legend, more fantastic adventures ensue. You must find the witch and obtain a medicinal herb to cure the sick king. Help the prince repel the evil powers of the dark mage. In the ancient mines, you seek out precious gemstones — and uncover grave dangers. Finally, you must pit your skills against the mighty dragon, awakened from an age-old slumber. Can you triumph against these challenges? Only if you work together will you have the strength to be the true heroes of Andor.
